

ALFA NOFIRE

PPR SYSTEM

Pipe innovation for firefighting security

100% MADE
IN ITALY

HIGH TEMPERATURE
RATING

EASY HANDLING

NON CORROSIVE

LIGHTWEIGHT

CHARACTERISTICS AND ADVANTAGES

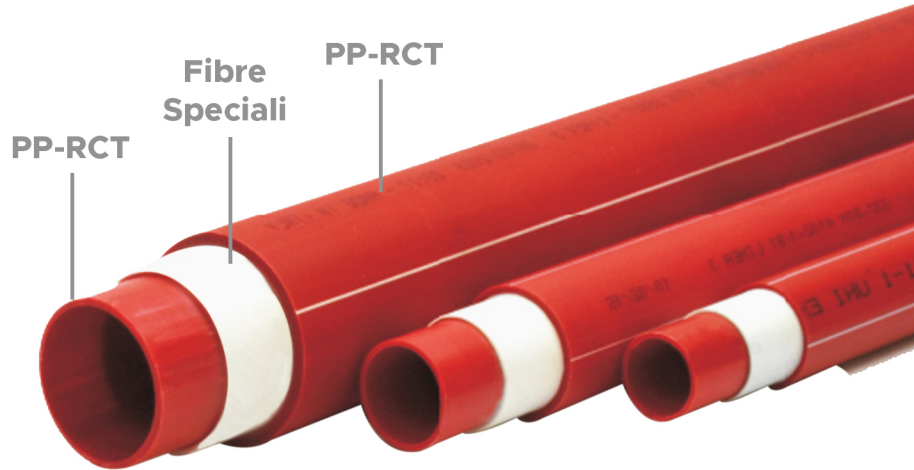

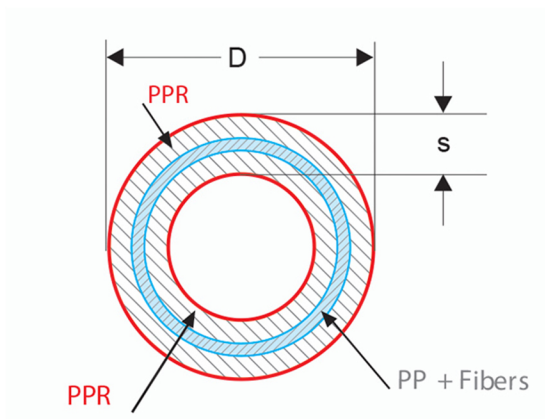

ALFAIDRO NO FIRE SYSTEM

is approved for automatic fire sprinkler systems in any light hazard occupancies within the NFPA13, 13R, 13D in accordance to FM 1635 and complies with the UL 1821 standards.

ADVANTAGES OF ALFA NO FIRE SYSTEM

- Ease of Handling
- High soundproofing and thermal insulation
- High abrasion resistance
- Corrosion and Chemical Resistant
- Environmentally friendly and compliance with LEED standards.

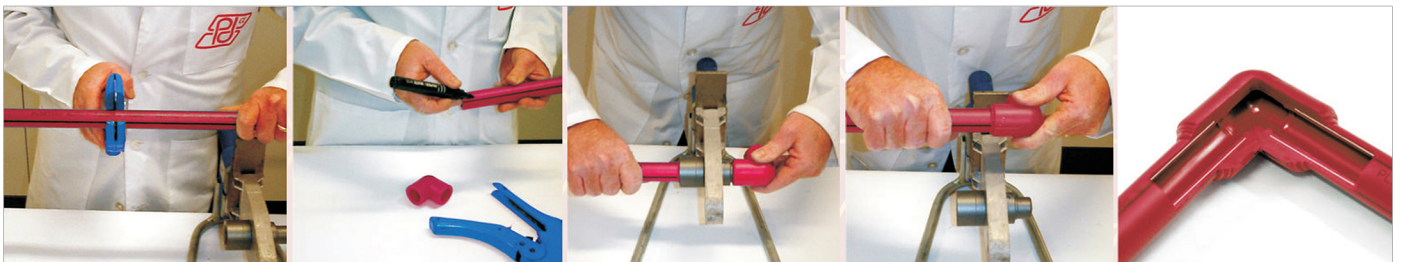

SPECIFICATION

ALFAIDRO NO FIRE SDR 7.4- S 3.2 - 20°C 20 Bar

Outside diameter (D)	Rod	Pack	Nominal Wall Thickness (s)	Internal diameters	Water Content	Weight	DN
mm	mt	mt	mm	mm	l/m	Kg/m	
20	3	120	2.8	14.4	0.163	0.151	15
